[Unofficial translation]

1. Basic principle for the appointment of Executive Officers and Operating Officers

- (1) The appointment is made by taking account of continuous business expansion and the activation of the organization through generation change and the rejuvenation with a view of steadily pursuing our business plans for mid- to long-term growth.
- (2) In the appointment, priority is placed on their possession of social credibility, as well as their knowledge, experience and internal / external assessment that assure corporate management will be executed in an appropriate, fair and efficient manner.

2. Reasons for the appointment of Executive Officers and Operating Officers and for the selection of President, Managing Executive Officers and Managing Operating Officers

Name	Reasons
Hideki Nagashima	Due to his experience working in the Individual Insurance Marketing Division, Corporate Planning Department, Human Resources Department, etc., he has wide range of knowledge and experience to operate our company's business management with accuracy, fairness and efficiency. Currently, he is taking charge of our management as Director, President, Representative Executive Officer, and Group CEO, and can be expected to continuously execute the mid- to long-term management plan steadily as our company's representative. For these reasons, we have decided that it is desirable to appoint him as Executive Officer, and select him as President and Representative Executive Officer.
Shinya Makino	Due to his experience working in the Individual Insurance Marketing Division, Sales Personnel Department, Product Development Department, etc., he has wide range of knowledge and experience to operate our company's business management with accuracy, fairness, and efficiency. Currently, he is taking charge of our management as a Director, Deputy President, Representative Executive Officer, and Executive Officer in charge of Digital Transformation and Healthcare Development, and can be expected to continuously provide advice on general management policy and steadily execute the mid- to long-term management plan as our company's representative. For these reasons, we have decided that it is desirable to appoint him as Executive Officer, and select him as Deputy President and Representative Executive Officer.

[Unofficial translation]

Name	Reasons
Masao Aratani	Due to his experience working in the Investment Division, Government Relations Department, etc., he has wide range of knowledge and experience to operate our company's business management with accuracy, fairness, and efficiency. Currently, he is taking charge of our management as a Director, Deputy President, Representative Executive Officer, and Executive Officer, Investment Division, and can be expected to continuously provide advice on general management policy and steadily execute the mid- to long-term management plan as our company's representative. For these reasons, we have decided that it is desirable to appoint him as Executive Officer, and select him as Deputy President and Representative Executive Officer.
Tadashi Onishi	Due to his experience working in General Agent Marketing Division, Individual Insurance Marketing Division, Human Resources Department, etc., he has wide range of knowledge and experience to operate our company's business management with accuracy, fairness, and efficiency. Currently, he is taking charge of our management as an Executive Officer in charge of "Wellness for All Project" and "Community Vitalization Project", and Deputy President and Chief Executive, Corporate Marketing Division, and can be expected to continuously provide advice on general management policy and steadily execute the mid- to long-term management plan. For these reasons, we have decided that it is desirable to appoint him as Executive Officer, and select him as Deputy President.
Atushi Nakamura	Due to his experience working in Individual Insurance Marketing Division, Marketing Planning & Research Department, Corporate Planning Department, etc., he has a wide range of knowledge and experience to operate our company's business management with accuracy, fairness, and efficiency. Currently, he is taking charge of our management as Senior Managing Executive Officer in charge of Corporate Communications Department, Government Relations Department, Corporate Planning Department and Branding Strategy Department, and can be expected to continuously develop execution policies and plans for general businesses to execute our business. For these reasons, we have decided that it is desirable to appoint him as Executive Officer, and select him as Senior Managing Executive Officer.
Shinji Nakatani	Due to his experience working in Group Marketing Division, Group Insurance Administration Department, etc., he has a wide range of knowledge and experience to operate our company's business management with accuracy, fairness, and efficiency. Currently, he is taking charge of our management as Senior Managing Executive Officer and Chief Executive, Public Marketing Division, and can be expected to continuously develop execution policies and plans for general businesses to execute our business.
