Termination of the Strategic Partnership Agreement with Talanx and Transfer of Shares of Warta and TU Europa (Polish Insurance Companies)

Meiji Yasuda Life Insurance Company (Hideki Nagashima, President and Group CEO) would like to announce that the strategic partnership agreement signed with Talanx AG (headquartered in Hannover, Germany, "Talanx") in 2010 will expire as of December 31, 2025.

In conjunction with this, we have also agreed on the economic conditions for a transfer of our shares in Warta Group (headquartered in Warsaw, Poland, "Warta") and Europa Group (headquartered in Wroclaw, Poland, "TU Europa"), which were acquired in 2012, to Talanx.

Currently, Meiji Yasuda conducts international businesses in USA, China and Thailand alongside Poland. We will continue to strengthen and promote our endeavors of international business from the perspective of our group's continued growth and diversifying our business portfolio, in addition to keeping and expanding our strong business foundation in Japanese life insurance market.
